

Still The One...The Original. The Best.

StarLite® is super cool and incredibly light. Weighing less than one ounce, **StarLite** is extremely comfortable and low-cost protective eyewear that offers excellent all-around impact protection.

Revolutionary in its design...The sleek and compact **StarLite** is extremely popular and often imitated. But **StarLite** is unmatched for ultra lightweight wearability; superior optical quality; and its comfortable, snug-fitting, wrap-around body that provides improved impact protection around the eyes.

Also available – **StarLite® SM** – same styling as the **StarLite** but with a frame width that is 10% smaller. Ideal for workers with thin or narrow facial profiles.

Snug-fitting front, with dual 9.75 base curvature, offers wide, unobstructed vision— popular, low-cost all-around impact protection.

StarLite® SM –10% smaller, for workers with smaller facial profiles.

StarLite® Features

- Incredibly light, all-around impact protection.
- Popular design appeals to both men and women, helping to ensure worker compliance.
- Economically priced to fit any budget.
- Scratch-resistant, 100% polycarbonate lenses.
- Features revolutionary, dual 9.75 base curvature viewing areas for wide, unobstructed vision.
- Snug and comfortable fit to minimize slippage and provide full brow protection.
- Deep, universal-fit temples provide side protection equal to that of eyewear with large sideshields.
